RATIONALE:
Jesus lays down his life for us so that all those who believe in Him may be saved. Through the Sacrament of the Eucharist, we partake of his Divine Life.

CHRIST IN US, OUR HOPE OF GLORY
Lyrics and Music: Jay-arr Felisilda Librando
Interpreters: Julie Anne San Jose
Nomer Limatog Jr.

We felt your word burning within us
Your word unlocked the hardness of our hearts
And opened our eyes that we may see you
Hidden in the broken bread

CHORUS:
Lord you laid down your life as bread and wine we see
Gave strength to our hearts and made us shine with glee
When we eat the bread and drink the cup of wine
We believe that Christ in us, our hope of glory

You brought a ray of light

AMEN

Lord you laid down your life as bread and wine we see
Gave strength to our hearts and made us shine with glee
When we eat the bread and drink the cup of wine
We believe that Christ in us, our hope of glory

And you rekindled our hope
And led our hearts to yearn for your love
For in you is our hope of glory

CHORUS:

BRIDGE:
Through your own flesh, now made living
And by the Spirit made life-giving
You offer life to us
And as you sweat became like drops of blood
Falling down upon the ground
You shed your blood for us
CHRIST IN US, OUR HOPE OF GLORY
