

Roman Catholic Archdiocese of Vancouver

2019 Project Advance Appeal Grants

Application Guidelines

The annual Project Advance Appeal is an important diocesan-wide fundraising project that provides financial assistance to institutions, programs and ministries of the Catholic Church throughout the Archdiocese of Vancouver. It is an opportunity for all Catholics in the archdiocese to join together and express solidarity with the Church and the Archbishop of Vancouver by making a freewill contribution to help carry on the work Christ has entrusted to us, God's stewards.

The distributions in the "**Special Grants**" category from the Appeal will be handled through a grant application process. To be eligible for the Project Advance Appeal funds, an entity must satisfy the criteria in these Application Guidelines and submit a completed grant application. Please bear in mind that because the Appeal has limited financial resources available for grant making, eligibility does not guarantee funding. If granted, funds will be made available in 2019.
