

Other Parish Envelopes

The parish may receive envelopes from neighbouring parishes. The recipient parish should not open envelopes it receives from other parishes in the Archdiocese, as these envelopes are to be sent to the parish indicated on the envelope. Donation envelopes should be given or sent to the parish indicated on the envelope at least on a monthly basis (e.g. at a Deanery meeting).

The parish named on the envelope is to record the donation in its donation system in the week in which the envelope was received back from the neighbouring parish.
