

Gifts of Securities Donor Instructions

Significant tax savings occur when you donate publicly traded securities directly to the Archdiocese or your parish. Securities include stocks, bonds and mutual funds. Securities received by the Archdiocese are sold and the cash proceeds are used according to your wishes.

How to Make a Gift of Securities to the Archdiocese or your parish:

1. Notify the Archdiocese of your intention

When planning to make a gift of securities to the Archdiocese or your parish, please notify the Development Office at the Archdiocese at 604-683-0281 or development@rcav.org. You will need to provide written intent with the Gift of Securities Authorization Form stating where the cash proceeds from your gift are to be directed. The Archdiocesan Development team will facilitate your gift to ensure the transfer process is smooth and a timely tax receipt is issued.
