

Come and discover
 God's original design for us,
 our call to holiness, and
 our destiny with him in heaven.

St. John Paul (The Great)'s THEOLOGY OF THE BODY

Using the three "words" of Christ on marriage, St. Pope John Paul (The Great) reveals our true human nature, in the image and likeness of God, as a "communion of persons, in the sincere gift of self," giving us the authentic meaning of our humanity now and in eternal life. He teaches us that holiness is intimately connected with human nature. He reveals how the Sacraments, particularly the Eucharist, restore and redeem human nature. Discover what this tells us about life now on earth and Eternal Life with God.
