

## **Prayer to end human trafficking**

Compassionate God, help us to see Your face of mercy in all those suffering from sexual exploitation and human trafficking in our world.

We cry out against this dehumanizing crime and pray for it to end. Strengthen the broken-hearted and fill them with your love while sending the exploiters away empty handed.

Give us courage to respond with urgency in solidarity with those in pain, and grant us wisdom to advocate for justice and to bring an end to this tragic suffering.

God of mercy, hear our plea.

Amen
